## BOARD UPDATES

On September 13, board members, IAHSE members, friends, and family attended the White Sox vs Athletics game. The event was our conference kickoff and honored Hispanic heritage night.

On September 14, 2024, board members and IAHSE members, along with their family, took part in the Out of the Darkness Community Walk, organized by the American Foundation for Suicide Prevention (AFSP). AFSP creates a culture that's smart about mental health through education and community programs, develops suicide prevention through research and advocacy, and provides support for those affected by suicide. We are proud to announce that IAHSE exceeded its fundraising goal, raising over \$500 to support AFSP's vital mission.

We Walk to Save Lives and Bring Hope to Those Affected by Suicide

## BOARD UPDATES CONTINUED

On September 19, board members attended the Illinois Legislative Latino Caucus Foundation (ILLCF) 2024 Raices Public Policy Conference. The event fostered meaningful dialogue among community partners on advancing advocacy efforts for our communities. IAHSE is proud to continue supporting the ILLCF and its mission to uplift the Hispanic/Latino community.

On September 20, board members attended the 52nd Annual Rincon Family Services Gala, proudly supporting Rincon Family Services and its impactful work through the Youth Service Project. The evening celebrated individuals who have dedicated their lives and resources to transforming the lives of youth in their communities. Our IAHSE Treasurer, Edith Feliciano, serves on the Rincon Family Services board, and we commend her and all the board members for their contributions to Rincon Family Services and our community.
