BOARD UPDATES

On November 15, our Board Member Edwin Sanchez Molina attended the DCFS Latino Family Institute Day at St. Augustine College as an exhibitor. The goal of our attendance was to increase membership, increase engagement, and provide information of the mission of IAHSE. It was a successful event as current DCFS employees learned about IAHSE membership and non-state employees became interested in potentially becoming associate members. If your agency has an event that you would like IAHSE to come out to as an exhibitor, please e-mail us at IAHSE.Assoc@illinois.gov.

¡Happy Thanksgiving! En este Día de Acción de Gracias, es el momento perfecto para reflexionar sobre las cosas por las que estamos agradecidos. Tal vez es por nuestra familia, amigos, salud, o simplemente por tener comida rica en la mesa. Let's take a moment to appreciate las bendiciones grandes y pequeñas en nuestras vidas. No importa el idioma, gratitude siempre une corazones. ¿Y tú? ¿Por qué estás agradecido este año?

MEMBERSHIP UPDATE

As of the final October payroll, our membership has grown to 398 members! We warmly welcome all our new IAHSE members and extend our heartfelt gratitude to our long-term members for your ongoing support. Together, our unity and strength in numbers empower IAHSE's mission to thrive and continue making an impact.

The IAHSE Board remains committed to increasing membership, and we deeply appreciate those who encourage new and current state employees to join. Your efforts do not go unnoticed, and we are truly grateful for your dedication and support.

If you are not a member, we highly encourage you to become one. It is IAHSE's mission to increase and secure the number of Hispanic (Latino/a/e/x) employees at all levels of state government to ensure the full delivery of State services and resources to the Hispanic (Latino/a/e/x) community. A strong representation of Latinos is vital to promote change.

Please review our membership options on [our membership form](#).

SOCIAL MEDIA UPDATE

The [IAHSE LinkedIn](#) has been gaining traction and fast approaching 1000 followers. As part of the IAHSE effort to increase Latine representation in state government, we have been posting many of the state job postings on LinkedIn. The majority of our followers are Latine who are able to share state jobs within their own network. One of the benefits of state workers following us on IAHSE on LinkedIn is we are able to connect many of our members with other state Latine state employees and build a Latine pipeline of job opportunities within state government.
